Hosted by the
Mid-States Organized Crime Information Center

POLICE & PEOPLE
WITH IDDs

Training Highlights Include:

- Gain an understanding of Intellectual and Developmental Disabilities (IDDs) and recognize common conditions such as autism, Down syndrome, and other disorders.
- Learn about the behavioral characteristics and communication challenges faced by people with IDDs in crisis situations.
- Discover effective de-escalation techniques and communication strategies to safely and effectively interact with individuals with IDDs.
- Learn about local resources and support agencies to better assist and connect families with necessary services.
